

# Simplify Sales Tax Management

Know where you have economic nexus. Report accurate sales tax. Reduce your sales tax liability exposure.

## Serious Sales Tax Management Firepower

TaxJar® enables eCommerce businesses to work smarter. Our award-winning solution makes it possible to automate sales tax reporting and returns, integrate with your preferred eCommerce platforms, marketplaces and carts, and determine economic nexus with a single click.

## What You Get With TaxJar

**Reduce Risk.** Whether it's risk to the growth of your business or regulatory noncompliance, TaxJar has you covered.

**Save Time and Avoid Headaches.** Outsource your sales tax management burden to TaxJar and free up valuable resources to concentrate on more strategic revenue-generating activities.

**Simplify Sales Tax Management.** From reporting to filing, TaxJar handles it all with reliability and ease.

**Focus on Success.** We have the needed tax expertise in-house to support you – be it current research, fast and accurate answers to your questions, or onboarding that gets you up and running fast.

## Save Time, Avoid Headaches

- ✔ **Seamless and Automatic Filing.** Automatically submit your returns to the states where you're registered and ensure you never miss a due date.
- ✔ **Return-Ready, Jurisdiction-Level Reporting.** Save hours on sales tax filings by organizing sales data into easy-to-read, exportable, return-ready state reports.
- ✔ **No Uploading Spreadsheets.** TaxJar syncs with your account and automatically pulls the information it needs. You don't need to upload or download anything.
- ✔ **Economic Nexus Checker.** Import your sales data into TaxJar to determine where your sales have exceeded economic threshold in each state.
- ✔ **Out-of-the-Box eCommerce Platform Integrations.** In addition to our integration with Quickbooks Online, TaxJar offers one-click integrations with NetSuite, Stripe, Magento, Shopify, Walmart, Amazon, BigCommerce, Ecwid, WooCommerce, Squarespace, Square and Etsy.
- ✔ **Multi-Channel Support.** Automatically generate accurate state reporting across all of the channels you sell in and for all transaction types.

Truly Human Support

Get Up and Running, Fast

Dedicated Account Manager

Our world-class, in-house sales tax experts ensure your onboarding experience and support needs are met by the best professionals around.

As a fast-growing, subscription-based online retailer, there isn't a playbook on what vendors to use because every business is different. **TaxJar is really good for us** and enables us to not have to focus on sales tax."
